**Re: Revised Logan Airport Parking Space Inventory**

Dear Ms. Kirby:

This letter hereby amends and replaces the Logan Airport Parking Space Inventory report dated September 25, 2017. In compliance with the reporting requirements of 310 CMR 7.30(3)(a), enclosed please find the following Massachusetts Port Authority (Massport) submissions for Logan Airport (the Airport):

- Commercial Parking Space Inventory;
- Employee Parking Space Inventory; and
- Location Map.

The attachments provide the quantity, physical distribution, and allocation of commercial and employee parking spaces on the Airport, as defined by 310 CMR 7.30, as amended, effective as of June 30, 2017. These inventory tables represent information provided by the Aviation Department and are supported by comprehensive field checks and counts conducted in September, 2017.

The Revised Logan Airport Parking Space Inventory reflects the 310 CMR 7.30, as amended, and effective on June 30, 2017. Accordingly, the Commercial Parking Space Inventory totals 23,640 parking spaces; the Employee Parking Space Inventory totals 2,448 parking spaces; and the total inventory of parking spaces at the Airport is 26,088. Additionally, for your information, we continue to provide information on rental car parking spaces, also attached.

The attached Logan Airport Parking Space Inventory reflects Massport's successful management of its parking program, within the requirements of 310 CMR 7.30, as amended.

Christine Kirby
