

## MASSPORT PROJECT UNDER FAA REVIEW

### Federal Aviation Administration (FAA) New England Region

The FAA has issued for public comment a Draft Environmental Assessment (DEA) for the proposed replacement of Hangar 24, near Virginia Road at Hanscom Field. The DEA may be reviewed at the Airport Manager's office at the Hanscom Civil Air Terminal or at <http://www.massport.com/about/publi.html>. Individuals who would like a copy may contact Bryon Rakoff of FAA at 781-238-7610. **The comment period has been extended to Friday, February 13, 2009.** Comments should be addressed to Mr. Bryon Rakoff, Airports Division, New England Region, Federal Aviation Administration, 12 New England Executive Park, Burlington, MA 01803.
