Submission Note
If a parameter row does not contain any values for the Sample nor Effluent Trading, then none of the following fields will be submitted for that row: Units, Number of Excursions, Frequency of Analysis, and Sample Type.

Edit Check Errors
No errors.

Comments
Please find attached the February 2018 Monthly Sampling Report. As stated in the attached report, wet weather bacteria samples could not be analyzed during the February 25th sampling event which was conducted on Sunday because the laboratory was closed. Bacteria samples would have exceeded the hold time if analyzed the next business day. No additional storm events with rainfall over 0.1 inches occurred after February 25th. No other feasible events qualified for sampling.
