

BOSTON LOGAN: FLY HEALTHY

ENHANCED CLEANING

Frequent cleaning with the latest anti-viral cleaning products and daily fogging.

FACE MASKS/COVERING

Required for all airport employees. All travelers are strongly encouraged to wear them.

HAND SANITIZERS

New touch-free sanitizer stations installed in all terminals.

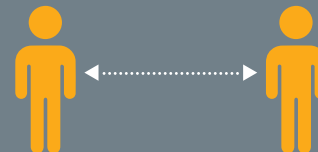

GATE AREA SEATING

Gate seats blocked to allow more space for social distancing. Family seating marked and reserved.

EXTRA PROTECTION

Clear plastic shields located in high-traffic spaces in every terminal.

SAFETY MESSAGING

Signage throughout the airport to help passengers maintain proper social distancing.

HANDS FREE

Mobile boarding and reduced touch points throughout the airport.

GIVE YOURSELF TIME

All travelers are encouraged to arrive early to reduce overall congestion.

Please check with your airline before you travel.
