

## Worcester Regional Airport

- Conveniently located in the heart of Central Massachusetts and owned/operated by the Massachusetts Port Authority.
- Worcester Regional Airport's amenities include a \$15.7 million passenger terminal and over \$55 million worth of airside improvements such as lighting systems, navigational aids, a new Aircraft Rescue and Fire Fighting station, and a modern fleet of snow removal equipment capable of clearing the primary runway in less than 15 minutes
- Worcester is the second largest city in New England. Airport property lies within Worcester and Leicester. The airport code is ORH.
- The economic impact of Worcester Regional Airport was estimated to be \$96.7 million in 2019 by MassDOT's airport economic impact study. The importance of the airport will only grow as activity increases.
- Massport acquired ORH in 2010 from the city of Worcester.
- Worcester Regional Airport covers an area of 1,300 acres and has two runways: Runway 11/29, which is 7,000 feet long and has ILS equipment; and Runway 15/33, which is 5,000 feet long. The ILS to Runway 11 has a Category III system, which will permit aircraft to land in any visibility.
- The new CAT III equipment and infrastructure upgrades will allow for aircraft to land on Runway 11 under virtually all weather conditions when the visibility conditions are as low as 50 foot ceiling height and 600 feet horizontal visibility, resulting in highly reliable commercial operations
- JetBlue offers daily flights to Orlando, Florida, Ft. Lauderdale, Florida and New York's JFK International Airport, American Airlines offers service to their hub in Philadelphia, PA and beginning in August 2019, Delta will inaugurate service to their hub in Detroit, Michigan.
- Fixed base operator (FBO) services at Worcester Regional are provided by Rectrix Aviation, providing upscale ground handling services to airlines, aircraft operators and executives who rely on corporate or private jets.
- Euro-American Logistics provides Air Cargo services.
- ORH employs 300 people, including those of Rectrix Aviation, 3 major car rental companies, FAA, TSA and the airlines.
