**RESPONSES TO QUESTIONS
7/12/2024**

The attention of consultants submitting proposals for the RFQ is called to the following Responses to Questions to the subject RFQ. The items set forth herein, whether of omission, addition, substitution, or clarifications are all to be included in and form a part of the proposal submitted.

Responses to Questions:

- 1. Are you able to confirm that M/WBE certification won't contribute toward the project goals if that same firm isn't ALSO DBE certified?**

This project will be submitted for FAA funding, as such, DBE goals will apply. M/WBE participation will not apply to the goal for this project. For a firm's participation to contribute towards DBE project goals, it must hold a DBE certification specifically.
