Responses to Questions:

- 1. Please confirm the estimated value of L1697-C4 Terminal B Roadway & Garage Optimization for Fire Protection, CMAR trade contractors RFQ? The online portal shows \$4,000,000 and the Legal Notice has \$400,000.**

Per the Notice to Contractors, the Fire Protection trade amount is \$400,000. The amount has also been corrected on the Massport online portal to reflect the \$400,000 value. The pre-qualification supplemental package shows this same amount on page 5.
