APPENDIX

- A. APPLICATION SCHEDULES
- B. TRADE CONTRACTOR RFQ RESPONSE CHECKLIST

1 BACKGROUND

This project includes the design and construction of the parking garage and roadway system at Terminal E while providing spaces for ground transportation functions on the ground level. The proposed project includes construction of approximately 725,000 square feet precast parking garage consisting of 10 levels and will connect to the walkway for pedestrian access on Level 4. The garage will also include a vehicular bridge connection from the existing West Garage at Level 4 and modifications of the adjacent Central Heating Plant (CHP) surface parking lot. The project will incorporate sustainable design elements including solar PV panels.

The Logan Airport Parking Project would include the following improvements:

- A new structured 10 story parking garage in the current location of existing surface parking lots in front of Terminal E.
- Separated primary access/egress points for public vehicles and ground transportation along the Terminal E Arrivals and Departures Level roadway.
- Modifications to the Terminal E Arrivals and Departures Level roadway to accommodate garage access/egress;
- A vehicular bridge connection to the existing Central Parking complex from the fourth level of the facility's east side to increase Massport operational efficiencies with respect to overflow transfers;
- Pedestrian circulation accommodations, including crosswalks connecting the facility to the outer curb at Terminal E and connections to the pedestrian bridge that connects Terminal E to the Central Garage complex;
- A solar photovoltaic system to offset a portion of the facility's electricity consumption;
- Sustainability and resiliency features;
- Parksmart certification (a high-performance parking structure program), similar to LEED certification and administered by the Green Building Certification Institute (GBCI).
- Reconfiguration of Arrivals and Departure level roadways around the new parking garage and existing Terminal C and Terminal E
- Increased Terminal E departure level curb capacity
- Construction of a Canopy over the departures level roadway and curb

The work includes 260001, 251300, 255000, 260513, 260543, 260573, 260573, 260900, 261200, 261300, 261600, 262200, 262300, 262413, 262416, 263600, 264313, 270000, 270100, 274200, 281000, 282300, 283100, 140001, 142100, 142400, 210001, 220001

The Authority is implementing this project in accordance with MGL Chapter 149A, Sections 1 thru 13. The Authority is seeking Qualification Submittals from trade contractors that have demonstrated experience in performing the type of work needed to complete the described renovations. This pre-qualification of trade contractors conforms to MGL Chapter 149A, Section 8, subsections (b) to (k) inclusive. The Request for Qualifications (RFQ) will be utilized to pre-qualify trade contractors who have a demonstrated experience in the construction and implementation of similar work in terms of scale and complexity.

The project will be qualified and bid in multiple phases, which provides Trade Contractors with the opportunity to be prequalified for multiple submissions of information. Qualification Submittals are being requested from trade contractors capable of performing the following classes of work: ELECTRICAL, PLUMBING, FIRE PROTECTION, AND ELEVATORS/HORIZONTAL MOVING WALKWAYS.

All trade contract agreements will be executed between the awarded CM-at-Risk and the selected trade contractors. The Authority shall utilize a two-step process, which includes the pre-qualification of trade contractors based on an evaluation of the submittals received in response to this solicitation, followed by an Invitation to Bidders that will only be issued to the pre-qualified trade contractors. Please note that the Authority intends to approve a list of qualified subcontractors (who are not trade contractors) with the CM-at-Risk for this Contract at a separate time in accordance with MGL Chapter 149A Section 8, subsection (j).

2 SCOPE OF WORK

Qualifications are being solicited for phase 1 of the project which includes the preliminary scope to support the future installation of a multi-level, approximately 5,000 space parking garage at the location of the existing Terminal E hourly surface parking & limo lot.

The electrical, plumbing, and fire protection scope of work is intended to provide all modifications required to furnish and install all electrical, plumbing, and fire protection required for (3) temporary construction trailers to be provided by others. All trailers will be positioned uniformly underneath an overpass supported by concrete columns and adjacent to an active roadway.

Phase 1 also includes the procurement of long lead elevator/horizontal moving walkways to be furnished and installed for the future construction of the above-mentioned North Parking Garage. The proposed garage includes construction of approximately 725,000 square feet precast parking garage consisting of 10 levels and will connect to the walkway for pedestrian access on Level 4. The garage will also include pedestrian circulation accommodations, including several pedestrian bridges that connects Terminal E and Terminal C to the Garage complex.

The total estimated cost of Phase 1 is approximately \$20,000,000 and the estimated cost for all phases is approximately \$800,000,000. The construction duration for all phases is approximately 72 MONTHS. The notice to proceed for construction was in JUNE 2024.

For the purpose of defining the experience required for Qualification Statements being requested at this time, the general Scope of Work for each of the specific trade contractor categories includes the following:

- ◆ **ELECTRICAL** – The scope of work for this trade category is estimated at \$700,000. The trade contractor is expected to be experienced and capable of installing temporary power supply including all required panels, wiring, lighting fixtures, subgrade conduits, and connection to existing grid systems.
- ◆ **PLUMBING** – The scope of work for this trade category is estimated at \$75,000. The trade contractor is expected to be experienced in and capable of installing water lines, sanitary drains, and connection to existing subgrade lines.
- ◆ **FIRE PROTECTION** – The scope of work for this trade category is estimated at \$200,000. The trade contractor is expected to be experienced in and capable of installing fire suppression systems.
- ◆ **ELEVATORS/HORIZONTAL MOVING WALKWAYS** – The scope of work for this trade category is estimated at \$14,500,000. The trade contractor is expected to be experienced in and capable of installation and commissioning of elevators and horizontal moving walkways.

3 SUBMITTAL PROCESS and SCHEDULE

In accordance with M.G.L. Chapter 149A, Massport and the CM-at-Risk are implementing a two step process beginning with an RFQ which shall be utilized to pre-qualify competent trade contractors who are capable of constructing the scope of work described herein. A Pre-Qualification Committee is comprised of four representatives including the Massport Project Manager, the Massport Assistant Director and one each from the Designer and the CM-at-Risk. This Pre-Qualification Committee will be conducting qualifications based evaluation of submittals received from interested trade contractors in order to identify pre-qualified trade contractors who will be subsequently invited to respond to a written Invitation to Bidders.

Upon receipt of the Qualification Submittal in response to this RFQ, the Pre-Qualification Committee will be responsible for reviewing the documents independently. Then, the Pre-Qualification Committee will meet to evaluate and review each submittal and will then score them in order to create a list of pre-qualified trade contractors.

The decision of the Trade Pre-Qualification Committee shall be final and binding and not subject to appeal except on the grounds of fraud or collusion. An individual trade contractor's score shall be made available upon request, but shall not be a public record and shall not be open to public inspection, to the fullest extent possible under the law. In addition, financial information provided from a trade contractor shall remain confidential and shall not become a public record and shall not be open to public inspection, to the fullest extent possible under the law.

Only the pre-qualified trade contractors will be eligible to receive an Invitation to Bid to participate in submitting a bid. Massport and the CM-at-Risk shall utilize an Invitation to Bid in order to make a final selection of each trade contractor. Pre-qualified trade contractors shall be invited to submit a bid along with a Bid Bond pursuant to an Invitation to Bid that shall include the bid documents for the Project. Massport shall open bids publicly. The CM-at-Risk shall award each trade contract to the lowest responsible and eligible bidder. The trade contractors shall be required to execute a standard Trade Contractor Agreement in the form identified in MGL Chapter 149A, Section 8, subsection (k) and provide the required insurance, performance and payment bonds also identified in Section 8 and in the full amount of the trade contract.

The schedule for creation of the list of pre-qualified trade contractors is as follows. Please note that all times listed are Eastern Daylight Savings Time (EDST) and that Massport will do its best to adhere to the schedule provided below.

- ◆ RFQ Advertised: WEDNESDAY, JANUARY 22, 2025
- ◆ Supplemental Information Package available: WEDNESDAY, JANUARY 22, 2025
- ◆ Project Briefing: MONDAY, JANUARY 27, 2025@ 2:30 PM
- ◆ Deadline for Submission of Written Questions: WEDNESDAY, FEBRUARY 12, 2025
- ◆ Qualification Due: THURSDAY, FEBRUARY 20, 2025@ 12:00 PM
- ◆ Anticipated Trade Prequalification: THURSDAY, FEBRUARY 27, 2025

Submission Deadline:

For each trade you are applying for Qualifications shall be submitted electronically no later than 12:00 PM Local Time, on THURSDAY, FEBRUARY 20, 2025 via Bid Express and shall be addressed to:
<https://www.bidexpress.com/businesses/27137/home>

Luciana Burdi, Intl. Assoc. AIA, CCM, MCPPO, NAC
Director of Capital Programs and Environmental Affairs
Massachusetts Port Authority, Capital Programs Department
Logan Office Center
One Harborside Drive
East Boston, MA 02128

Submittals not received by Massport by the 12:00 PM Local Time deadline on THURSDAY, FEBRUARY 20, 2025 will be rejected.

All submissions must be in .pdf format and able to be read on a computer and printed on 8 ½” x 11” paper, unless otherwise specified.

Questions may be sent via email to CPBidQuestions@massport.com subject to the deadline for receipt stated in the timetable above. In the subject lines of your email, please reference the ***MPA Project Name (North Garage) and Number (L1820-C2)***. Questions and their responses will be posted on Capital Bid Opportunities webpage of Massport <http://www.massport.com/massport/business/bids-opportunities/capital-bids/> as an attachment to the original Legal Notice and on Comm-BUYS in the listings for this project.

Companies responding to the RFQ are responsible for the costs associated with the development and submission of a response.

4 SUBMITTAL REQUIREMENTS

Submissions in response to the RFQ shall be organized and presented as outlined below.

THE QUALIFICATION SUBMITTAL WILL BE REJECTED IF ANY OF THE MANDATORY REQUIREMENTS ARE MISSING. Massport will not reach out to request any missing or incorrect submission requirements. Massport will send back the submittal with a letter explaining of the rejection.

PLEASE SEE ATTACHED SCHEDULES IN APPENDIX A FOR YOU TO COMPLETE.

A. Cover Letter

Each Submittal shall include a cover letter signed by an individual authorized to contractually bind the trade contractor. The Cover Letter shall (1) clearly state the name of the RFQ; (2) introduce the company, and indicate the trade category that the content of the Submittal is responding to; (3) provide the name, title, address, telephone number and email address of one or more individuals who are authorized to sign a contract; and (4) provide an original signature of a person authorized by the company to enter into legally binding contract.

e) Lawsuits/Legal Proceedings

max 5 points

Provide a list of all lawsuits in which the trade contractor is a defendant or defendant-in-counterclaim with regard to construction contracts within the last 3 years. Please note that the lawsuits listed shall not include actions that primarily involve personal injury, workers' compensation claims, or where the sole cause of action involve the trade contractor's exercise of its rights for direct payment. Interested Trade Contractors **MUST COMPLETE Schedule E.**

f) Safety Record

max 5 points

Provide the three (3) year history of the Trade Contractor's workers' compensation experience modifier. In addition, provide documentation for the Trade Contractor's insurance carrier supporting the rating history provided. Interested Trade Contractors **MUST COMPLETE Schedule F.**

2 REFERENCES

max 30 points (need minimum 15 points)

It is imperative that the contact information provided by the trade contractor is current and reliable and that such contact persons are willing and able to provide references. The trade contractor is urged to contact its references in advance to ensure that the contact information is correct and these individuals will be in a position to answer the Committee's questions. The Committee will do its best to connect with references but if it is not successful in obtaining references, or if the references are unwilling or unable to provide the type of information being requested, then the trade contractor will not be in a position to earn points under this category, resulting in an inability to be pre-qualified for the Project. There are not a specific number of points assigned to any one reference. However, the Pre-Qualification Committee will need to receive a sufficient number of good references in order to be able to award sufficient points to a trade contractor under this category. Please note that although the Committee retains the right to contact any reference provided by the trade contractor, in order to manage the process in an effective and timely manner, it plans to contact Client References first and will contact Credit Reference or Public Project Record references if more information is needed after contacting Client References.

a) Project References

Provide a client who is the party that you contracted with, as a reference from each of the five (5) similar projects listed and provide the project name, client name and address, telephone number, and email for a contact person from each client. The trade contractor is required to provide references and contact information for each of the five projects listed under Similar Project Experience on SCHEDULE C. Interested Trade Contractors **MUST COMPLETE Schedule G.**

b) Credit References

Provide a minimum of five (5) different credit references, including key suppliers, vendors and/or banks and provide the name, title, address, telephone number and email address for a contact person from each of the Credit References listed. Interested Trade Contractors **MUST COMPLETE Schedule H.**

c) Public Project Record

Provide a list of all completed public building construction projects (as defined by M.G.L. c. 149 §44A worked on during the past three (3) years with the project name, scope of work, contract value, start date, completion date, status of the project, owner’s name (including address, telephone number, email and contact person) and architect’s name (including address, telephone, email and contact person). Interested Trade Contractors **MUST COMPLETE** *Schedule I*.

3 **CAPACITY TO COMPLETE PROJECTS** **20 points (need minimum 10 points)**

a) Prior Revenue

Provide annual revenues for the *prior* three (3) fiscal years. Interested Trade Contractors **MUST COMPLETE** *Schedule J*.

b) Revenue under Contract

Provide details on revenue under contract for the *next* three (3) fiscal years. Interested Contractors **MUST COMPLETE** *Schedule K*.

C Other Mandatory Requirements

It is important to note that although there are no points allocated for these mandatory requirements, submittal **will not be accepted if it does not contain the following**:

- **Bonding Capacity:** Provide a commitment letter from a surety company licensed to do business in the Commonwealth of Massachusetts and whose name appears on the United States Treasury Department Circular 570 for payment and performance bonds in an amount equal to or greater than **one hundred and ten percent (110%)** of the estimated trade contract value for the subtrade that the Trade Contractor is seeking prequalification for.
- **DCAMM Certification:** A **currently valid** Certificate of Eligibility issued by the DCAMM (Division of Capital Asset Management and Maintenance) pursuant to section 44D of Chapter 149 and a ***Sub-Bidder Update Statement*** **must** also be submitted as part of the package.
- **Cover Letter:** Each submittal must have an original signature of a person authorized by the company to enter into a legally binding contract. The words, “**signed under the pains and penalties of perjury**” **must** appear immediately above the authorized signature. Please note that notarizing the document does not take the place of signing under the pains and penalties of perjury.

5 PUBLIC PROJECTS RECORD

Massport shall seek to hold all financial information (Schedule J & K) in confidence, to the extent consistent with applicable law. A trade contractor’s score for this prequalification process shall not be a public record and shall not be open to public inspection, again to the fullest extent possible by law.

APPENDIX A

RFQ Application Schedules

SCHEDULE A:	<i>Business Owner Information</i>
SCHEDULE B:	<i>Management Personnel Information</i>
SCHEDULE C:	<i>Similar Project Experience</i>
SCHEDULE D:	<i>Terminations</i>
SCHEDULE E:	<i>Legal Proceedings</i>
SCHEDULE F:	<i>Safety Record</i>
SCHEDULE G:	<i>Project References</i>
SCHEDULE H:	<i>Credit References</i>
SCHEDULE I:	<i>Public Project References</i>
SCHEDULE J:	<i>Prior Revenue</i>
SCHEDULE K:	<i>Revenue under Contract</i>

Firm Name:

SCHEDULE A – BUSINESS OWNERS: Interested Trade Contractor **MUST** provide the following information and **attach a copy of the resume for each and every business owner of the firm.**

NAME	TITLE	ROLE/JOB RESPONSIBILITIES/SCOPE OF WORK	# OF YEARS W/ FIRM	EDUCATION/EXPERIENCE

Firm Name:

SCHEDULE B – MANAGEMENT PERSONNEL: Interested Trade Contractors **MUST** provide the following information and copies of the resumes for each and every person who will have any direct or indirect management responsibility for the project, including but not limited to, project executives, project managers, project superintendents, etc.

NAME	TITLE	ROLE/JOB RESPONSIBILITIES/ SCOPE OF WORK	# OF YEARS W/FIRM	EDUCATION/EXPERIENCE	COMPLETED PROJECTS

Firm Name:

SCHEDULE C – SIMILAR PROJECT EXPERIENCE: Interested Trade Contractor **MUST** list all similar projects respondent Trade Contractor has completed during the last five (5) years.

PROJECT NAME & LOCATION	PROJECT OWNER	PROJECT DESCRIPTION AND SPECIFIC SCOPE	ORIGINAL AND FINAL CONTRACT AMOUNT AND EXPLANATION	START AND COMPLETION DATES (M/D/YYYY- M/D/YYYY)

Firm Name:

SCHEDULE D - TERMINATIONS: Interested Trade Contractors are required to list each and every project on which it was terminated or failed to complete the project.

PROJECT NAME & LOCATION	SCOPE OF WORK PERFORMED	CONTRACTED WITH	START & END DATES	ESTIMATED CONTRACT AMOUNT	% COMPLETE	REASON FOR TERMINATION

Firm Name:

SCHEDULE F – SAFETY RECORD: Interested Trade Contractors are required to provide the three (3) year history of its workers’ compensation experience modifier and attach documentation from its insurance carrier supporting the ratings reported.

YEAR	WORKERS’ COMP. EXPERIENCE MODIFIER	COMMENTS

Firm Name:

SCHEDULE G – PROJECT REFERENCES: Interested Trade Contractors are required to list references for prior work Trade Contractor has performed which appears in ***Schedule C***.

PROJECT TITLE	EMAIL	COMPANY NAME	CONTACT PERSON/ADDRESS	PHONE #
	OWNER:			
	DESIGNER:			
	OWNER:			
	DESIGNER:			
	OWNER;			
	DESIGNER:			

Firm Name:

SCHEDULE H – CREDIT REFERENCES: Interested Trade Contractors are required to list a minimum of five (5) credit references from banks, suppliers and/or vendors.

CHECK ONE	FIRM NAME	CONTACT PERSON	PHONE #	EMAIL

SCHEDULE J – PRIOR REVENUE Interested Trade Contractors are required to list prior revenue for the last three (3) fiscal years.

Firm's fiscal year runs _____ to _____

YEAR	PRIOR ANNUAL REVENUE(S)

Firm Name: _____

SCHEDULE K – REVENUE UNDER CONTRACT: Interested Trade Contractors are required to list revenue under contract for the next three (3) fiscal years.

Firm's fiscal year runs _____ to _____

YEAR	REVENUE UNDER CONTRACT (\$)

**APPENDIX B
TRADE CONTRACTOR RFQ RESPONSE CHECKLIST**

PLEASE NOTE THAT INCOMPLETE OR LATE APPLICATIONS FOR PREQUALIFICATION WILL NOT BE CONSIDERED. THEREFORE BEFORE SUBMITTING A RESPONSE TO THIS RFQ, PLEASE REVIEW THE FOLLOWING:

- Did respondent Trade Contractor provide a cover letter signed by an individual authorized to contractually bind the trade contractor above the words “Signed under the pains and penalties of perjury?”
- Did respondent Trade Contractor fully complete *Schedules A through K* and attach all required documentation?
- Did respondent Trade Contractor attach the resumes of owners and management personnel identified in respondent Trade Contractor’s responses to *Schedule A and B*.
- Did respondent Trade Contractor attach the required documentation from respondent Trade Contractor’s insurance company supporting the workers’ compensation modifier history reported in *Schedule F*?
- Does respondent Trade Contractor have the current contact information for all of the references reported in *Schedule G, Schedule H* and *Schedule I*?
- Did respondent Trade Contractor attach a commitment letter for payment and performance bonds in the form required and for a value of 110% of the trade contract value?
- Did respondent Trade Contractor attach a completed and signed *Update Statement* using the most recent form available on the DCAMM website?
- Did respondent Trade Contractor attach a currently valid DCAMM *Certificate of Eligibility*?
- Did respondent Trade Contractor include the original and all required copies of the entire application package?
